Sir:

REQUEST TO WITHDRAW HOLDING OF ABANDONMENT UNDER 37 C.F.R. §1.181

Applicant received a Notice of Abandonment, mailed September 22, 2004, in the above referenced application. Applicant hereby makes petition under 37 C.F.R. §1.181(a) requesting withdrawal of the holding of abandonment, for reasons set forth below. No fee is believed required in respect of this petition. MPEP §711.03(c), I, first paragraph.

On September 13, 2004, in response to an Office Action mailed on March 11, 2004, Applicant filed a Request for Continued Examination (RCE) under 37 C.F.R. §1.114, together with a petition and fee for extension of time of three months. This RCE was thus timely filed to avoid abandonment of the application. The RCE transmittal sheet (copy attached hereto) contained a valid certificate of first class mailing dated September 13, 2004.

Request for withdrawal of holding of abandonment  
October 20, 2004

undersigned, Mr James Davis, Reg. No. 47,516, who informed the Examiner that an RCE had been filed in the present application. Applicant appreciates the Examiner's courtesy in calling to confirm the status of the application; however, it appears a misunderstanding occurred between Mr Davis and the Examiner, as an Interview Summary (Form PTOL-413) attached to the Notice of Abandonment records as the Substance of Interview that "Mr Davis stated S.N. 09/978132 is abandoned in favor of a continuation."

The record in the present application will show that Serial No. 09/978,132 has not been abandoned. As opposed to having been abandoned in favor of a continuation, an RCE was timely filed to avoid abandonment. No new continuation application has been filed.

Accordingly, withdrawal of the holding of abandonment is requested.

Respectfully submitted,  
HARNES, DICKEY & PIERCE, P.L.C.
